Non-Profit Organizations

We provide complete logistics solutions that fit your needs. Our services include:

Moving – From meticulous planning to flawless execution, we handle your assets, equipment, and data with the utmost care, minimizing risk and business disruption.

Installation – Our experts set up everything from furniture to computers and calibrated equipment, ensuring your space is functional and ready for seamless operations.

Storage – Our secure and climate-controlled, warehouses provide a safe, reliable solution for storing sensitive equipment, inventory, and documents.

Asset Management – With advanced software and real-time inventory tracking, we ensure efficient management and access at every stage.

Decommission – Downsizing? We handle furniture and equipment removal using environmentally responsible disposal methods.

IT Equipment Relocation – Our skilled professionals ensure your technology infrastructure is relocated securely, efficiently, and with minimal disruption.

Recycling – We prioritize sustainability with responsible recycling, including e-waste disposal and certified destruction of hard drives of sensitive data.

Freight Forwarding – Whether by air, land, or sea, our global expertise guarantees your cargo reaches its destination safely and on time.

Supply Chain Management – Our comprehensive solutions optimize efficiency and streamline processes to keep your supply chain running smoothly.

Being **ISO 9001:2015 certified**, we ensure our processes are continuously monitored and refined for excellence.

Our **Commitment to Quality** means precision, reliability, and seamless experiences with reduced risk every step of the way.
